A. Administration of the Oath of Office

The oath of office will be administered to Steven Hill, Bur Zeratsky, and Candy Fields by the College's legal counsel for their terms beginning July 1, 2021 and ending June 30, 2024.

I, [the undersigned], who have been appointed to the office of District Board Member for the Moraine Park Technical College District but have not yet entered upon the duties thereof, swear that I will support the Constitution of the United States and the Constitution of the State of Wisconsin, and will faithfully and impartially discharge the duties of said office to the best of my ability. So help me God.

IV. DISTRICT BOARD GOVERNANCE PROCESS

B. Election of Board Officers – 2021-22

The annual organizational meeting of the District Board is held on the second Monday in July in compliance with Wisconsin State Statutes. In accordance with District Board Policy BP 1.5 – Board Officers and Roles, Board Officers are selected at this annual organizational meeting.

The offices which must be filled include the following:

District Board Chairperson
District Board Vice Chairperson
District Board Treasurer
District Board Secretary

During the 2020-21 year, Bur Zeratsky served as Chairperson, Mike Schwab as Vice Chairperson, Candy Fields as Secretary, and Bob Lloyd as Treasurer. Board Policy BP 1.5 states that: “No person may serve as Chairperson for more than two successive annual terms.” The current Board members holding an office, other than Chairperson and Treasurer, are eligible to be reappointed for another term. Since Mr. Zeratsky has served as the Chairperson for the last two years, a new person must be selected to fill this Board office. A new Treasurer will need to be selected, as Mr. Lloyd is no longer a member of the MPTC District Board.

Attached for your review is the current District Board policy on Board Officers and Roles.

C. Appointment of Finance Committee

District Board Policy BP 1.7 – Board Committees states that: "The establishment and appointment of the Board Finance Committee is made at the discretion of the Board Chairperson. Historically, committee membership has consisted of new Board members and those Board members with a specific interest in the financial operations of the District. IV. DISTRICT BOARD GOVERNANCE PROCESS

D. Appointment of Representatives to the Wisconsin Technical College District Boards Association

In accordance with District Board Policy BP 1.2 – Governing Philosophy, the Board will: “Ensure the continuity of its governance capability through individual training, development, and the orientation of new members in the Board’s governance process.” This policy also states that the MPTC District Board has authorized membership in the Wisconsin Technical College District Boards Association and the Association of Community College Trustees, and to financially support these associations with membership dues.

Recently received correspondence from the District Boards Association requests that the MPTC Board select their 2021-22 representatives to the Association's committees at the July organizational meeting. New Board of Director members will be seated at the Association’s summer meeting in Stevens Point on July 16.

BOARDS ASSOCIATION DELEGATE

Each district board which has a membership in the Wisconsin Technical College District Boards Association is entitled to representation on the Board of Directors of this Association. The primary function of MPTC's delegate to the Boards Association would be to represent and vote on behalf of the Moraine Park District Board in regard to the business of the Association. The Boards Association Delegate is appointed for a two-year term. Dates important to the individual serving as Moraine Park's Boards Association delegate would be the Association's quarterly meetings tentatively scheduled for July 15-17, 2021, October 28-30, 2021, January 27-29, 2022 and April 28-30, 2022.

Vernon Jung was elected as President of the District Boards Association at the spring meeting in Fond du Lac in 2019, and has completed serving his second year of a two-year term. Former Association Presidents automatically serve as their district’s delegate for the year immediately following their completed term. Therefore, no action is required to appoint a Board of Director delegate this year.

D. Appointment of Representatives to the Wisconsin Technical College District Boards Association (continued)

EXTERNAL PARTNERSHIPS COMMITTEE

This committee works to better understand innovative initiatives, external challenges, and emerging opportunities for collaboration, while building understanding and strengthening relationships between trustees and local, state, and national leaders. Through its work, the committee will advocate on behalf of the colleges, as well as serve as a conduit of information, to help inform our ongoing advocacy efforts with policymakers. The External Partnerships Committee will receive periodic briefings from the chair of the Presidents' Association External Partnerships Subcommittee, in order to facilitate and coordinate the work of the two committees. This committee is also responsible for generating programming input for Association staff to develop for in-service sessions.

Each district is asked to appoint one to four members to serve as part of the External Partnerships Committee. Mike Schwab, Kathy Schlieve and Candy Fields were Moraine Park's representatives on this committee the past year.

- Human resources and employee compensation best practices
- Student services best practices (mental health, veterans services)
- Instructional services best practices (career pathways, credit for prior learning, Promise programs)
- Other emerging trends and topics

With support from staff, the committee co-chairs will be expected to set agendas, facilitate dialogue and small-group breakout discussions as needed, and solicit input from members on topics of interest or possible projects. Led by the co-chairs, the Internal Best Practices Committee would also be responsible for generating programming input, suggesting topics for Association staff to develop for in-service sessions.

Each district is asked to appoint one to four members to serve as part of the Internal Best Practices Committee. Tom Hopp, Renee Almeida and Rob Johnson were Moraine Park’s representatives on this committee the past year.

SUGGESTED MOTION:

- At the request of the Board of Directors, committee chair, or an individual unit member of the Association, review a proposed resolution or proposed change in the corporate bylaws, policies or procedures for the purpose of recommending whether the proposed language will accomplish the desired effect and/or whether the proposed change would require amendment of any other portion of the corporate bylaws, policies, or procedures.

- Technical Education Champion (TECh) Award recipients
- Media Award recipients
- Distinguished Alumni of the Year

The Board of Directors shall approve an awards rating committee. Each unit member district will select its own member to review and rate nominations for the Association awards program. Members will serve in this role for one year and can be re-appointed indefinitely. The Committee will determine, select the recipients of, and deliver the corporation's annual awards. The members will select award recipients by rating official award nominations, and Association staff will announce the nomination period for each award. At the end of the nomination period, the Association will provide committee members with a slate of nominees eligible for the award and with corresponding nomination materials. Committee members will rate the nominations according to criteria for each award. The Association will then tabulate the results of the award rating and announce the winner. When possible, awards will be presented at the next quarterly meeting of the Association. Committee members will be expected to rate awards during a time period outside of the Association meetings.

Mike Schwab (primary) and Candy Fields (alternate) were Moraine Park's representatives on this committee the past year.

SUGGESTED MOTION:

I move that _____ be appointed as the Moraine Park representative(s) to the Awards Committee of the Wisconsin Technical College District Boards Association.

Moraine Park Technical College

BOARD POLICY TYPE: GOVERNANCE PROCESS	
Policy Title	Governing Philosophy
Policy Number	BP 1.2
Policy Owner	Board Chairperson
Adopted	July 10, 2017
Reviewed	February 20, 2019
Revised	

The Board of Trustees of Moraine Park Technical College has the authority and accompanying responsibility for the effective governance of the College. The Board carries out this responsibility through the commitment to fundamental philosophical beliefs about their roles and leadership and how those are embodied by the actions of the trustees, the College President, and the faculty and staff that comprise the broader College District. The Board embraces a governance view that is strategic, future-oriented, proactive, positive, ambitious, transparent and deliberative. This governing philosophy encourages diversity in viewpoints, reinforces the centrality of Board policy-making and empowers the President with clear direction.

More specifically, the Board will:

- Operate in all ways mindful to its trusteeship and stewardship obligations to the citizens of its District.
- Take action only in official Board meetings called, scheduled and conducted according to statutory requirements.
- Ensure the continuity of its governance capability through individual training, development and the orientation of new members in the Board's governance process.
- Lead and inspire the organization through the careful establishment of the broadest organizational policies reflecting the District's values. The Board's major focus will be on the intended long-term impact of the College on the District stakeholders.
- Accept collective responsibility for excellence in governance. The Board will use the expertise of individual trustees to enhance the work of the Board as a body, rather than to substitute their individual judgments for those of the Board as a whole.
- Monitor and discuss the Board's process and performance regularly for continuous improvement. Annual self-monitoring will include comparison of Board activity and discipline to policies in the Governance Process and Board-Staff Relationship categories and any Board goals that may be established annually.
- Seek balanced input from various sources including staff, students, alumni, employers and other community members on Board policies. The Board will initiate timely linkages with stakeholder groups as needed.
- Make decisions, to the extent possible, on a consensus basis.
- The Board maintains active membership in local, state and national associations and affiliations that the Board deems appropriate to the mission of the College:
 - Wisconsin Technical College District Boards Association (DBA)
 - Association of Community College Trustees (ACCT)

IV. DISTRICT BOARD GOVERNANCE PROCESS

E. Appointment of District Board Member to the Moraine Park Foundation Board

The Moraine Park Foundation has rolled out a strategic plan which includes realistic goals to grow financial resources (annual fund development, major gifts, and campaign projects) available to Moraine Park students and in support of College initiatives. To further strengthen the relationship between the Moraine Park Foundation Board and the District Board, the Foundation is requesting that a member from the District Board continue to serve as a non-voting liaison to the Foundation. This would be a two-year appointment, with a new District Board member replacing the outgoing member every two years. The Foundation Board currently meets three times a year and has additional committees that individuals may serve on. They typically meet in the fall, winter, and spring. Tom Hopp served as the District Board's representative to the Moraine Park Foundation Board the past two years.

SUGGESTED MOTION:

I move that _____ be appointed as the Moraine Park Technical College District Board representative to the Moraine Park Foundation Board.

Notification

District Board meetings are public meetings and open to the public in accordance with Chapter 19, Wis. Stats. Every public notice of a Board meeting shall set forth the time, date, place and subject matter of the meeting, including that intended for consideration at a contemplated closed session per Wis. Stat. sec. 19.84(2), as amended.

Agenda

The Board shall assume and exercise responsibility for oversight of Board planning and agenda setting. Accordingly, each member of the Board shall have an opportunity to identify issues to be considered on the Board agenda. The Chairperson shall work with the President to prepare and disseminate the agenda.

- The College Vision, Mission, Value Statements, and Strategic Priorities will be reviewed annually.
- Subjects for major policy issues to be discussed and acted upon by the Board will be developed on an annual basis.
- The Board will conduct an annual organizational meeting on the second Monday of July for the purpose of administering the Oath of Office to newly elected Board Members and for the election of Board Officers. (Wis. Stat. sec. 38.08(3), as amended)

Meetings

The regular meetings of the District Board shall be held monthly, subject to change by call of the Chairperson with the approval of the District Board. Proper notification of all Board meetings shall be given to the public and the news media as required by the Wisconsin Open Meetings Law. Based upon Wisconsin Statutes, all regular and special meetings of the Board shall be open to the public, with the exception of closed sessions.

Unless suspended or waived, the rules of parliamentary procedure according to the current edition of *Robert's Rules of Order, Revised* shall govern those proceedings to which they are applicable. Unless otherwise specifically provided by statute, no secret ballot may be utilized to determine any election or other decision of a governmental body except the election of the officers of such body in any meeting.

IV. DISTRICT BOARD GOVERNANCE PROCESS

F. Approval of 2020-21 District Board Meeting Dates/Locations (continued)

An opportunity for public input, called Public Comments, shall be available at each Board meeting. Unless requested by the Board Chairperson from the audience, regarding a specific agenda topic, public comments or dialogue are not allowed during other portions of the Board meeting and/or discussion. Public comment periods are not considered to be public hearings or a forum for public debate. Certain ground rules will be followed regarding the public comment at Board meetings. These ground rules are meant to protect all citizens so that the work of the Board serves everyone, not only those able to attend the meeting:

- The Board Chair will determine the total amount of time devoted to public comment at any given meeting and may establish a maximum number of individuals heard or maximum number of minutes provided to each citizen.
- Prior to the start of the meeting, individuals who wish to address the Board must sign in with the Board Assistant and provide any requested information.
- Only individuals signed in to offer public comment will be invited by the Board Chair to do so and will be required to identify themselves prior to their commentary.
- Individuals should not expect to engage in dialogue or discussion with members of the Board on any matters raised during the public comment period as Board members have no obligation to respond to statements made.
- Individuals recognized to speak by the Board Chair may not engage in debate or dialogue with any other person at the meeting.
- Comments shall be respectful and courteous. Comments which do not conform to those requirements including those that are personal, threatening, attack others, are obscene or insulting, or are properly subject to closed sessions such as those relating to personnel matters, will not be allowed. Offenders may be required to leave the meeting.

Closed Sessions

The District Board may also meet in Closed Session in accordance with Wis. Stat. sec. 19.85(1), as amended. Closed Sessions can be before, after, or anytime during a regular meeting provided proper legal notice is given. Closed sessions are called by the Chairperson and approved by a majority of the Board for discussion pertaining to areas provided in Wisconsin Statutes. When final action is taken in proper closed session, the resolution and result of vote must be made available for public inspection.

Quorum

A quorum for the transaction of business shall consist of a majority of the members of the District Board, but a smaller number may adjourn a meeting. (Wis. Stat. sec. 15.07(4), as amended)
Board members should be aware of and avoid walking quorums. A walking quorum is a series of meetings, telephone conferences, electronic communication, or some other means of communication by a number of Board members who come into an agreement regarding College business that collectively would constitute a quorum. Features such as 'reply all' and 'forward' may provide the information instantly to the number of Board members to be considered a quorum and thus violating Open Meetings Law. To avoid unintentionally creating a walking quorum, Board members should refrain from engaging in substantive discussion or coming to agreement on a uniform course of action among separate groups of members.

A quorum of members may be met for an open or closed session of the Board by participation via phone or other conferencing solutions. Such electronic participation may be allowed if the member is prevented from physically attending due to personal illness or disability, employment or family conflicts or emergencies, or severe weather.

VII. ACTION ITEMS

B. Approval of Lease – Delaney Group, LLC (Jackson site)

The following information is being presented for the purpose of District Board monitoring of policy, #BP 3.1 General Executive Expectations and #BP 3.5 Financial Condition, regarding leasing of real estate with prior or subsequent District Board budget authorization. Originally in 2013, then a successive extension in 2018, the District and the Delaney Group entered into a lease agreement for approximately 9,515 square feet of space, 22% of a manufacturing building located at N173 W21150-60 Northwest Passage Way, in Jackson, Wisconsin. The site was remodeled by the owner to the District's specifications. The site includes two classrooms, a welding lab, a metal fabrication lab, a reception area and break room, two offices, restrooms, and a conference room. The leased facility was opened in response to the community needs and workforce development partnerships.

The term of the lease is three years, from July 1, 2021 through June 30, 2024, with two, one-year optional extensions. The operating lease is \$4.69 per square foot for the base rent with additional costs for applicable common area maintenance (CAM) fees. These fees include insurance, taxes, and building maintenance (based on actual costs, but estimated at \$1.92 per square foot). Due to Wisconsin Technical College System (WTCS) requirements, each one – year optional lease extension must be approved by WTCS. It is the recommendation that this lease agreement be approved and forwarded to the WTCS Board for their review and approval.

SUGGESTED MOTION:

I move that the Moraine Park Technical College District Board enter into a lease agreement with Delaney Group LLC, substantially as described above, for the period of July 1, 2021 through June 30, 2024 and, further, that this action be forwarded to the Wisconsin Technical College System Board for their review and approval.

Section 4. Form of the Notes. The Notes shall be issued in registered form and shall be executed and delivered in substantially the form attached hereto as Exhibit E and incorporated herein by this reference.

Section 5. Tax Provisions.

(A) Direct Annual Irrepealable Tax Levy. For the purpose of paying the principal of and interest on the Notes as the same becomes due, the full faith, credit and resources of the District are hereby irrevocably pledged, and there is hereby levied upon all of the taxable property of the District a direct annual irrepealable tax in the years 2021 through 2030 for the payments due in the years 2022 through 2031 in the amounts set forth on the Schedule.

(B) Tax Collection. So long as any part of the principal of or interest on the Notes remains unpaid, the District shall be and continue without power to repeal such levy or obstruct the collection of said tax until all such payments have been made or provided for. After the issuance of the Notes, said tax shall be, from year to year, carried onto the tax roll of the District and collected in addition to all other taxes and in the same manner and at the same time as other taxes of the District for said years are collected, except that the amount of tax carried onto the tax roll may be reduced in any year by the amount of any surplus money in the Debt Service Fund Account created below.

(C) Additional Funds. If at any time there shall be on hand insufficient funds from the aforesaid tax levy to meet principal and/or interest payments on said Notes when due, the requisite amounts shall be paid from other funds of the District then available, which sums shall be replaced upon the collection of the taxes herein levied.

Section 6. Segregated Debt Service Fund Account.

(A) Creation and Deposits. There shall be and there hereby is established in the treasury of the District, if one has not already been created, a debt service fund, separate and distinct from every other fund, which shall be maintained in accordance with generally accepted accounting principles. Debt service or sinking funds established for obligations previously issued by the District may be considered as separate and distinct accounts within the debt service fund.

Within the debt service fund, there hereby is established a separate and distinct account designated as the "Debt Service Fund Account for General Obligation Promissory Notes, Series 2021-22A" (the "Debt Service Fund Account") and such account shall be maintained until the indebtedness evidenced by the Notes is fully paid or otherwise extinguished. There shall be deposited into the Debt Service Fund Account (i) all accrued interest received by the District at the time of delivery of and payment for the Notes; (ii) any premium which may be received by the District above the par value of the Notes and accrued interest thereon; (iii) all money raised by the taxes herein levied and any amounts appropriated for the specific purpose of meeting principal of and interest on the Notes when due; (iv) such other sums as may be necessary at any time to pay principal of and interest on the Notes when due; (v) surplus monies in the Borrowed Money Fund as specified below; and (vi) such further deposits as may be required by Section 67.11, Wisconsin Statutes.

(B) Use and Investment. No money shall be withdrawn from the Debt Service Fund Account and appropriated for any purpose other than the payment of principal of and interest on the Notes until all such principal and interest has been paid in full and the Notes canceled; provided (i) the funds to provide for each payment of principal of and interest on the Notes prior to the scheduled receipt of taxes from the next succeeding tax collection may be invested in direct obligations of the United States of America maturing in time to make such payments when they are due or in other investments permitted by law; and (ii) any funds over and above the amount of such principal and interest payments on the Notes may be used to reduce the next succeeding tax levy, or may, at the option of the District, be invested by purchasing the Notes as permitted by and subject to Section 67.11(2)(a), Wisconsin Statutes, or in permitted municipal investments under the pertinent provisions of the Wisconsin Statutes ("Permitted Investments"), which investments shall continue to be a part of the Debt Service Fund Account. Any investment of the Debt Service Fund Account shall at all times conform with the provisions of the Internal Revenue Code of 1986, as amended (the "Code") and any applicable Treasury Regulations (the "Regulations").

(C) Remaining Monies. When all of the Notes have been paid in full and canceled, and all Permitted Investments disposed of, any money remaining in the Debt Service Fund Account shall be transferred and deposited in the general fund of the District, unless the District Board directs otherwise.

Section 7. Proceeds of the Notes; Segregated Borrowed Money Fund. The proceeds of the Notes (the "Note Proceeds") (other than any premium and accrued interest which must be paid at the time of the delivery of the Notes into the Debt Service Fund Account created above) shall be deposited into a special fund (the "Borrowed Money Fund") separate and distinct from all other funds of the District and disbursed solely for the purpose or purposes for which borrowed. Monies in the Borrowed Money Fund may be temporarily invested in Permitted Investments. Any monies, including any income from Permitted Investments, remaining in the Borrowed Money Fund after the purpose or purposes for which the Notes have been issued have been accomplished, and, at any time, any monies as are not needed and which obviously thereafter cannot be needed for such purpose(s) shall be deposited in the Debt Service Fund Account.

Section 8. No Arbitrage. All investments made pursuant to this Resolution shall be Permitted Investments, but no such investment shall be made in such a manner as would cause the Notes to be "arbitrage bonds" within the meaning of Section 148 of the Code or the Regulations and an officer of the District, charged with the responsibility for issuing the Notes, shall certify as to facts, estimates, circumstances and reasonable expectations in existence on the date of delivery of the Notes to the Purchaser which will permit the conclusion that the Notes are not "arbitrage bonds," within the meaning of the Code or Regulations.

Section 9. Compliance with Federal Tax Laws. (a) The District represents and covenants that the projects financed by the Notes and the ownership, management and use of the projects will not cause the Notes to be "private activity bonds" within the meaning of Section 141 of the Code. The District further covenants that it shall comply with the provisions of the Code to the extent necessary to maintain the tax exempt status of the interest on the Notes including, if applicable, the rebate requirements of Section 148(f) of the Code. The District further covenants that it will not take any action, omit to take any action or permit the taking or omission of any action within its control (including, without limitation, making or permitting any use of the proceeds of the Notes) if taking, permitting or omitting to take such action would cause any of the Notes to be an arbitrage bond or a private activity bond within the meaning of the Code or would otherwise cause interest on the Notes to be included in the gross income of the recipients thereof for federal income tax purposes. The Secretary or other officer of the District charged with the responsibility of issuing the Notes shall provide an appropriate certificate of the District certifying that the District can and covenanting that it will comply with the provisions of the Code and Regulations.

(b) The District also covenants to use its best efforts to meet the requirements and restrictions of any different or additional federal legislation which may be made applicable to the Notes provided that in meeting such requirements the District will do so only to the extent consistent with the proceedings authorizing the Notes and the laws of the State of Wisconsin and to the extent that there is a reasonable period of time in which to comply.

The Notes are hereby designated as "qualified tax exempt obligations" for purposes of Section 265 of the Code, relating to the ability of financial institutions to deduct from income for federal income tax purposes, interest expense that is allocable to carrying and acquiring tax exempt obligations.

Section 11. Execution of the Notes; Closing; Professional Services. The Notes shall be issued in printed form, executed on behalf of the District by the manual or facsimile signatures of the Chairperson and Secretary, authenticated, if required, by the Fiscal Agent (defined below), sealed with its official or corporate seal, if any, or a facsimile thereof, and delivered to the Purchaser upon payment to the District of the purchase price thereof, plus accrued interest to the date of delivery (the "Closing"). The facsimile signature of either of the officers executing the Notes may be imprinted on the Notes in lieu of the manual signature of the officer but, unless the District has contracted with a fiscal agent to authenticate the Notes, at least one of the signatures appearing on each Note shall be a manual signature. In the event that either of the officers whose signatures appear on the Notes shall cease to be such officers before the Closing, such signatures shall, nevertheless, be valid and sufficient for all purposes to the same extent as if they had remained in office until the Closing. The aforesaid officers are hereby authorized and directed to do all acts and execute and deliver the Notes and all such documents, certificates and acknowledgements as may be necessary and convenient to effectuate the Closing. The District hereby authorizes the officers and agents of the District to enter into, on its behalf, agreements and contracts in conjunction with the Notes, including but not limited to agreements and contracts for legal, trust, fiscal agency, disclosure and continuing disclosure, and rebate calculation services. Any such contract heretofore entered into in conjunction with the issuance of the Notes is hereby ratified and approved in all respects.

The District hereby authorizes the Chairperson and Secretary or other appropriate officers of the District to enter into a Fiscal Agency Agreement between the District and the Fiscal Agent. Any Note may be transferred by the registered owner thereof by surrender of the Note at the office of the Fiscal Agent, duly endorsed for the transfer or accompanied by an assignment duly executed by the registered owner or his attorney duly authorized in writing. Upon such transfer, the Chairperson and Secretary shall execute and deliver in the name of the transferee or transferees a new Note or Notes of a like aggregate principal amount, series and maturity and the Fiscal Agent shall record the name of each transferee in the registration book. No registration shall be made to bearer. The Fiscal Agent shall cancel any Note surrendered for transfer.

The District shall cooperate in any such transfer, and the Chairperson and Secretary are authorized to execute any new Note or Notes necessary to effect any such transfer.
